

Pickles (180gr bottle)

Pickles (180gr bottle)

Pickles are vegetables (chive, cauliflower, carrot, cucumber, etc.) preserved by vinegar. A common appetizer, it is used in many typically Portuguese dishes such as fried pork with clams or "Pica-Pau" ("woodpecker", because it is commonly eaten with little toothpicks), a common Portuguese snack also made with pork meat. Opt for our homogeneously varied and quality Pickles... opt for Peninsular
