

Lupini Beans (caliber 11 - 3Kg bucket)

Lupini Beans (caliber 11 - 3Kg bucket)

One of the most popular snacks in Portugal, lupini beans are quite easy to prepare, given that you only have to change its water regularly - with boiling water, at least a few times - until the beans are cooked. After this, they may be put in the fridge, but you have to keep changing its water. If you want a simple solution with guaranteed quality, opt for Peninsular's Lupini Beans! Available in different packs and calibers. Try them!
