

Green Apple-Scented Fruit Vinegar (Spray Bottle)

Green Apple-Scented Fruit Vinegar (Spray Bottle)

What if from now on you started "perfuming" your salads?

Would you like your salads to be livelier? Do you like your food well-seasoned but with a slight sweet touch and a pleasant aroma?

We have just the vinegar for you: the Green Apple-Scented Fruit Vinegar!

Totally different from all the others, it is a vinegar that will make your salads just delicious... and your kitchen will be smelling great too!

Also available we have the Lemon-Lime Scented and the Raspberry-Scented vinegars... Enjoy your meals!

NOW IN SPRAY!

Spray your salad!

Now you can spray the amount of vinegar you want with precision thanks to this great-looking and easy-to-use bottle! A brand new product with 11 different flavours that allow you to opt for variety in your dishes or leave it to your friends and family to choose what they want as soon as they get to the table.

Manuel Luis Goucha, Tânia Ribas de Oliveira, João Baião and Julia Pinheiro all loved the idea. How about you?
